électro-vigueur présente

SILICE

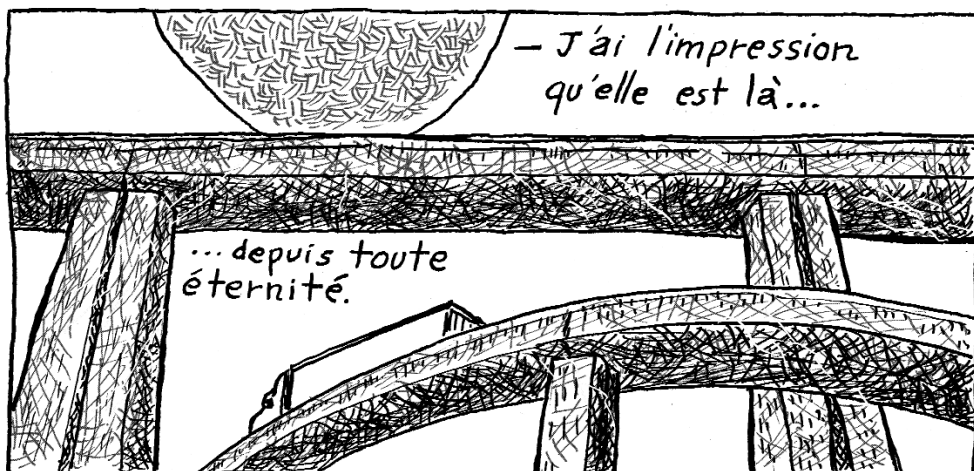

- Tu te souviens du jour
où Silice est apparue dans notre ciel ?

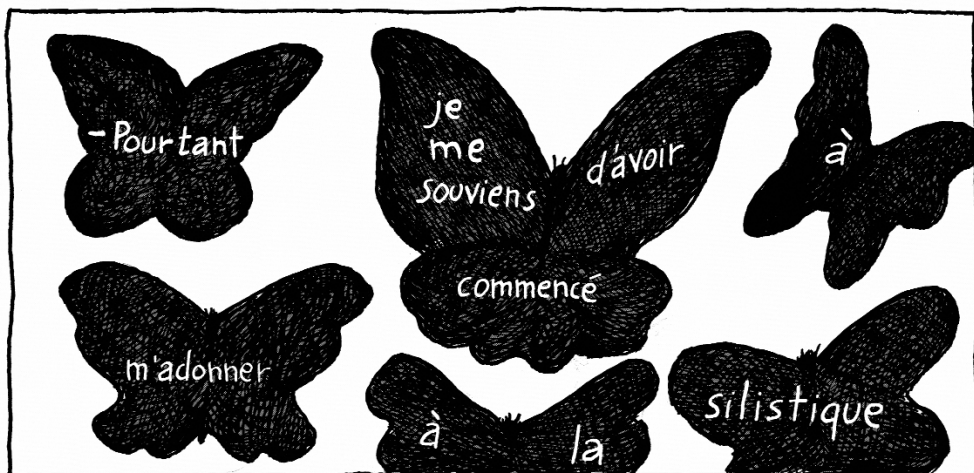

- Vraiment...

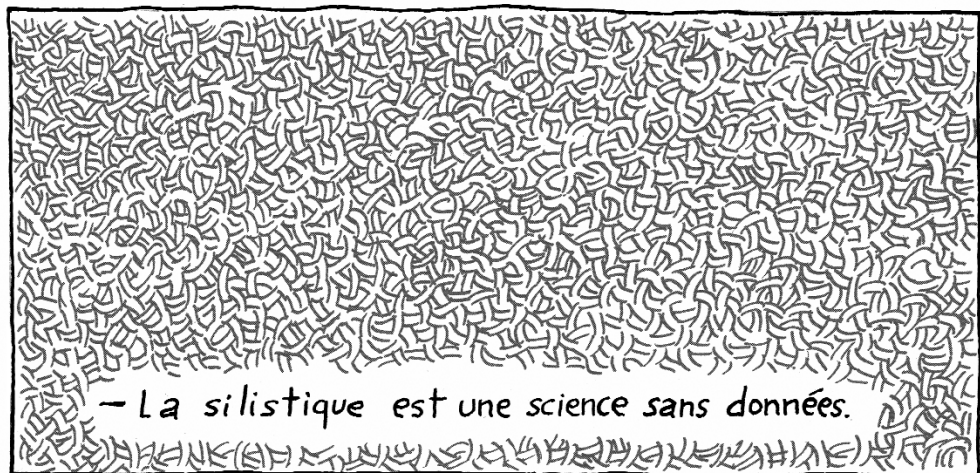

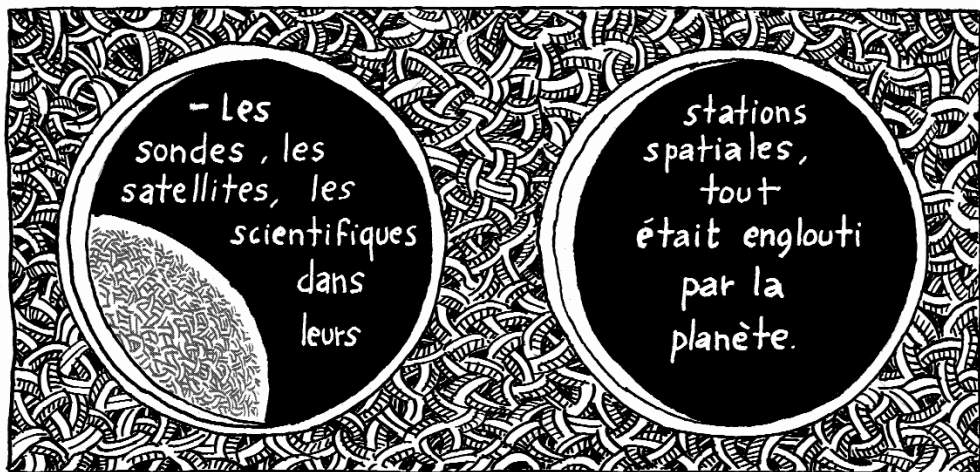

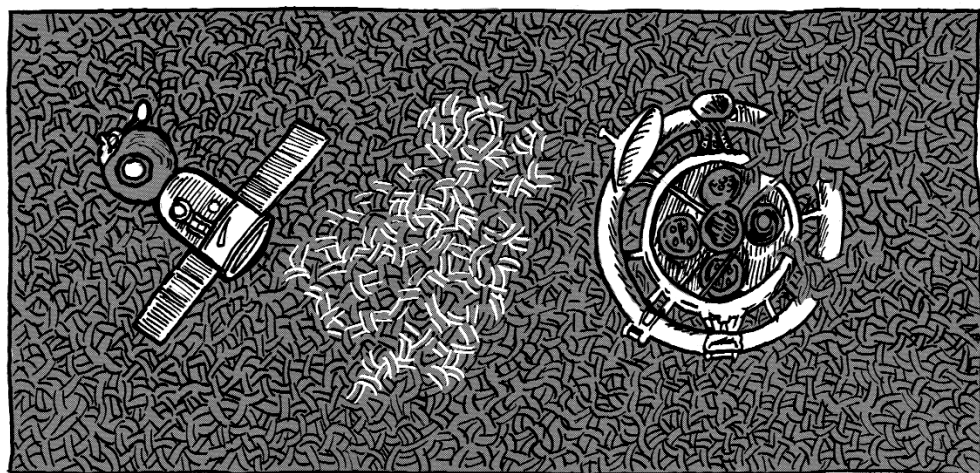

... non...

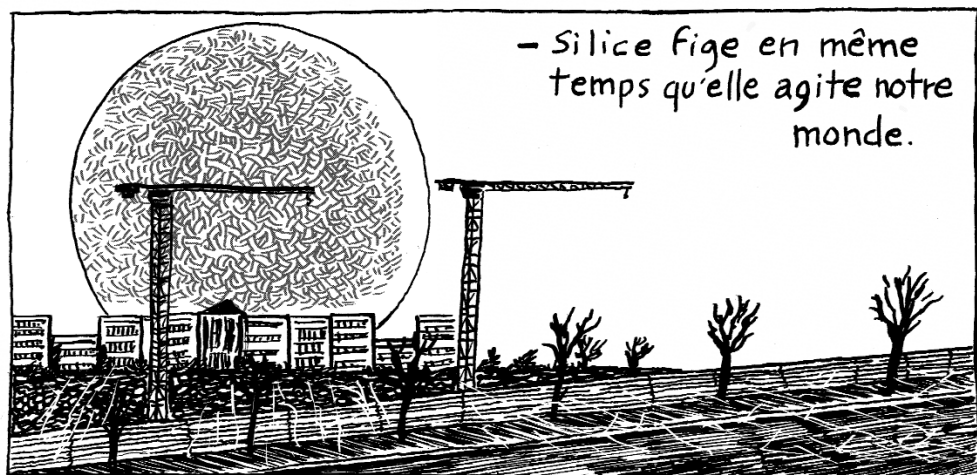

- J'ai l'impression
qu'elle est là...

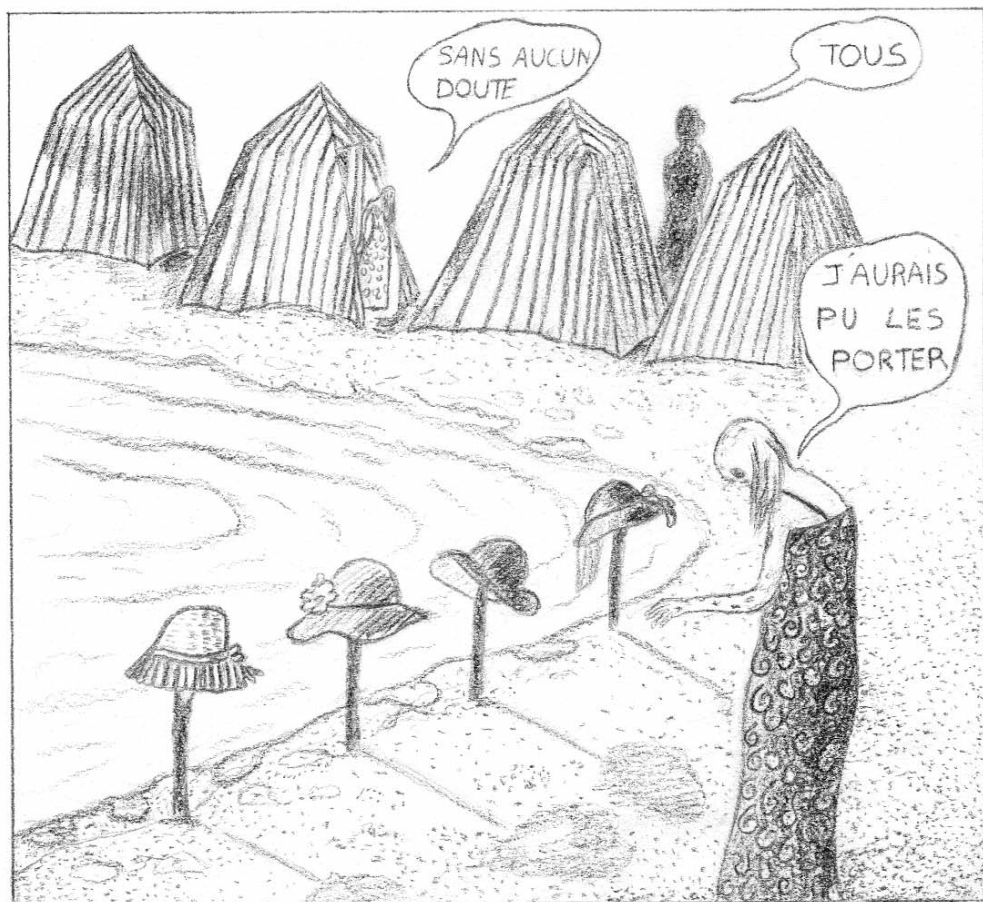

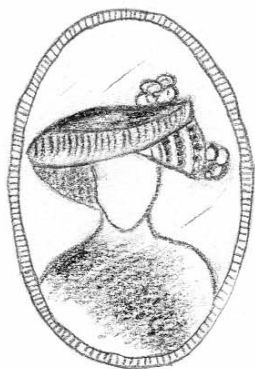

... depuis toute
éternité.

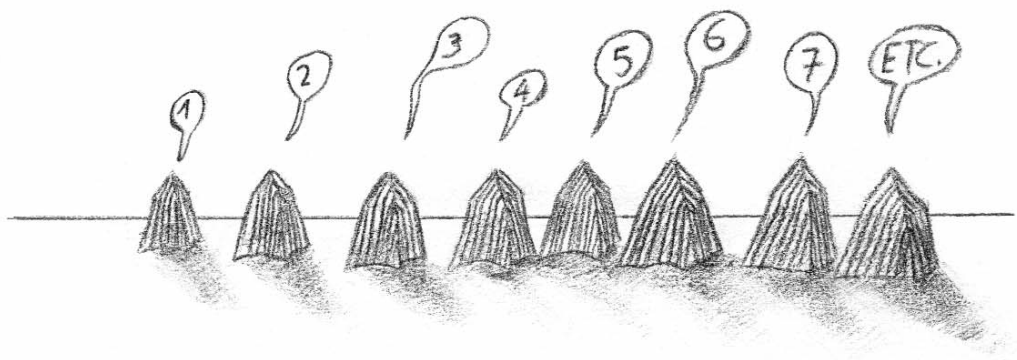

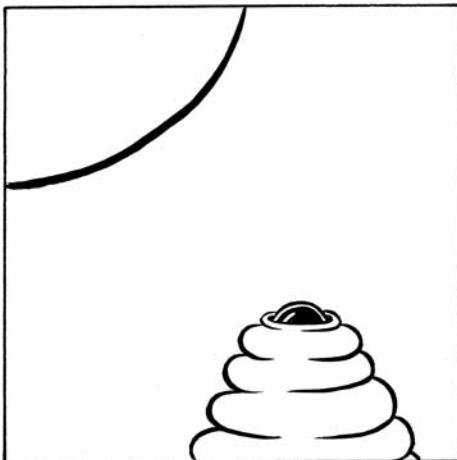

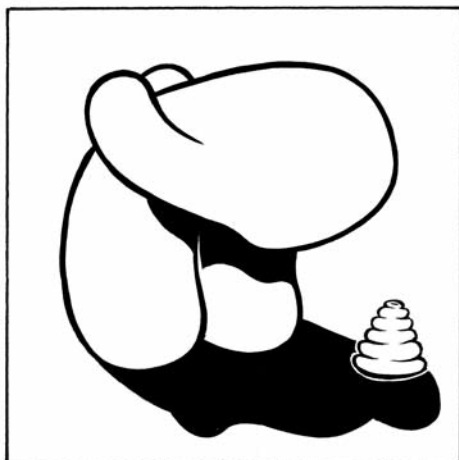

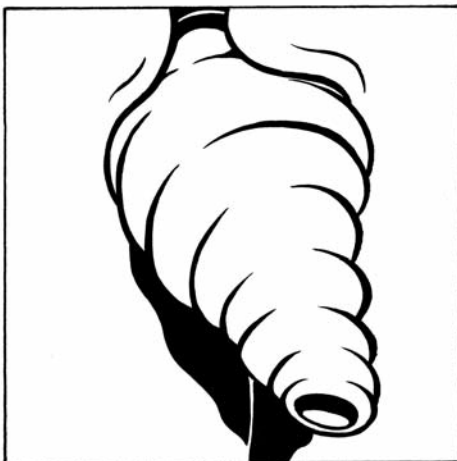

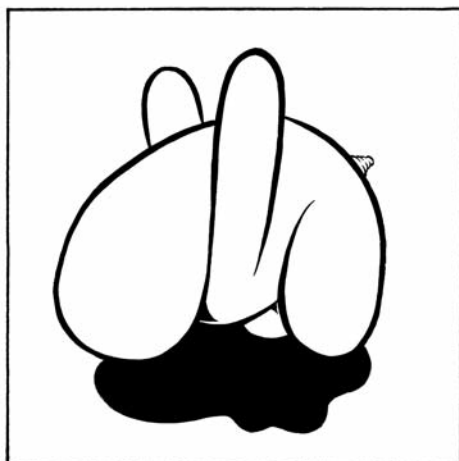

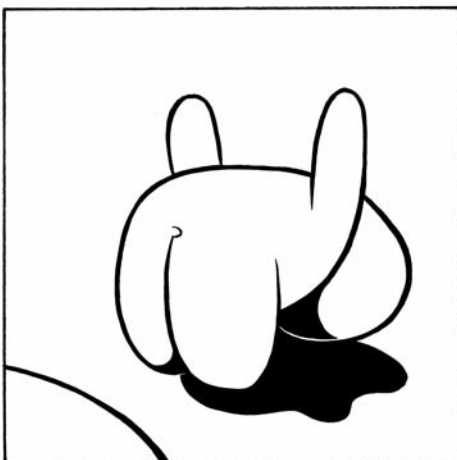

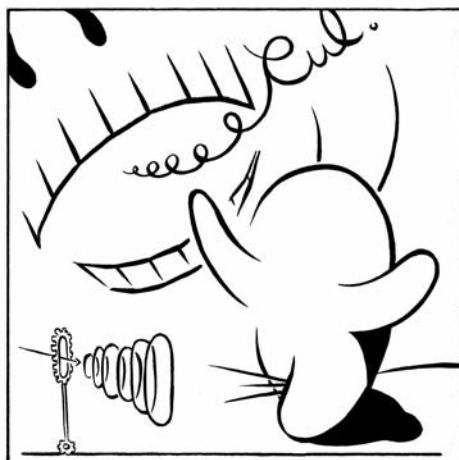

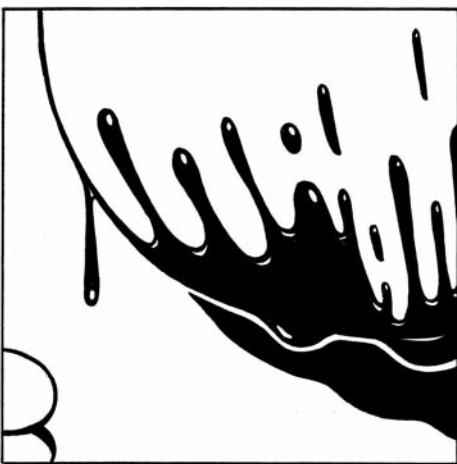

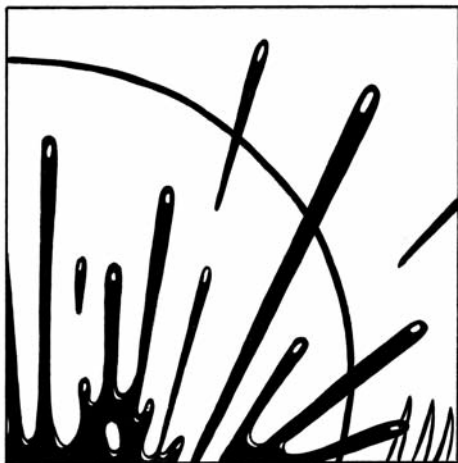

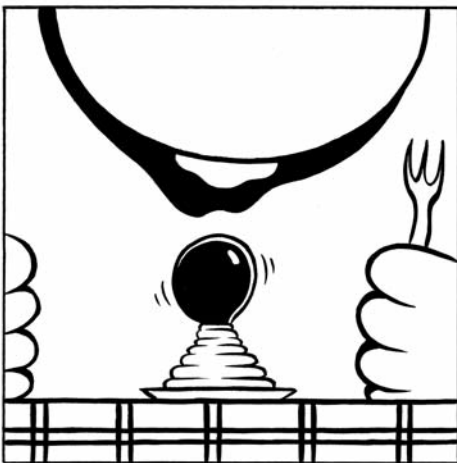

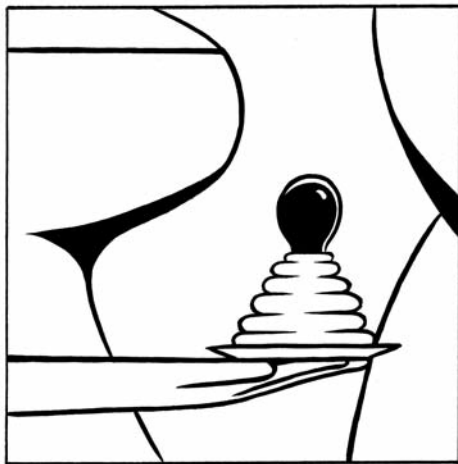

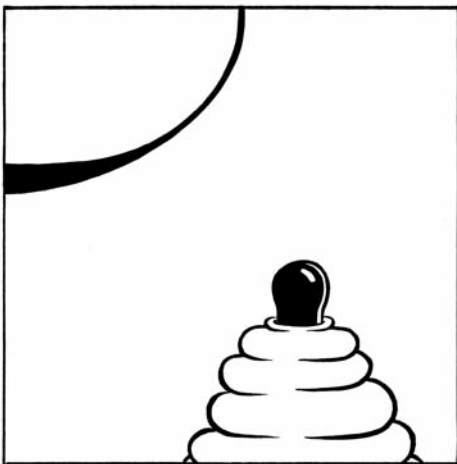

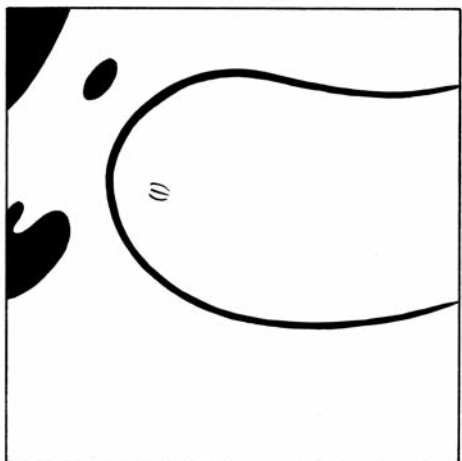

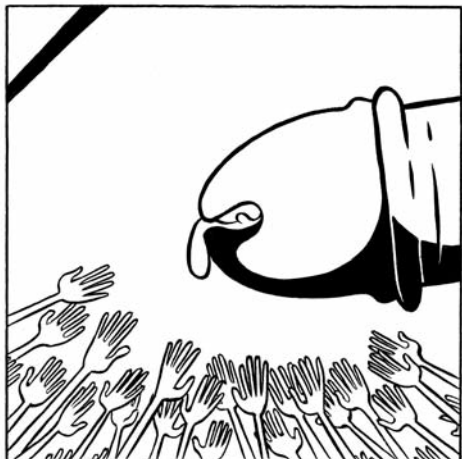

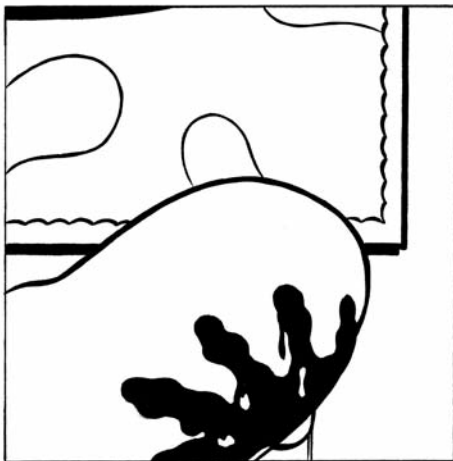

JEU DE MIROIR

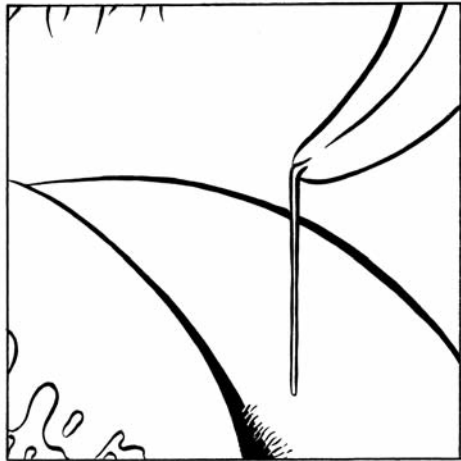

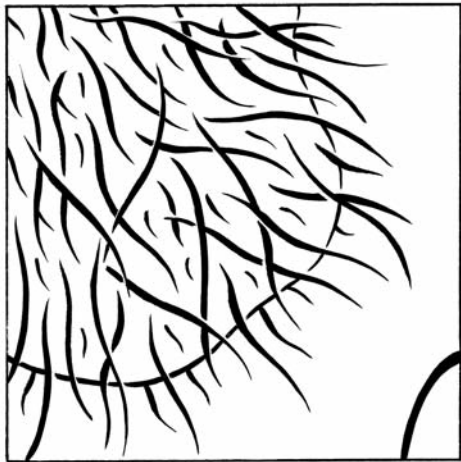

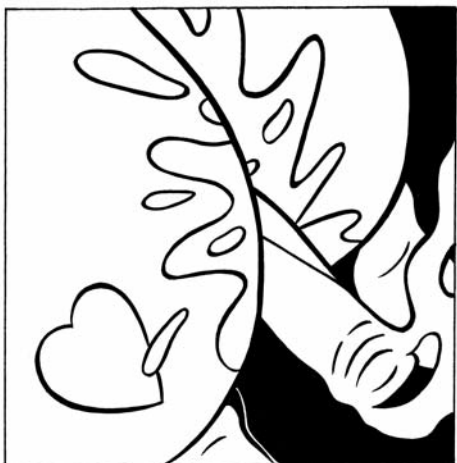

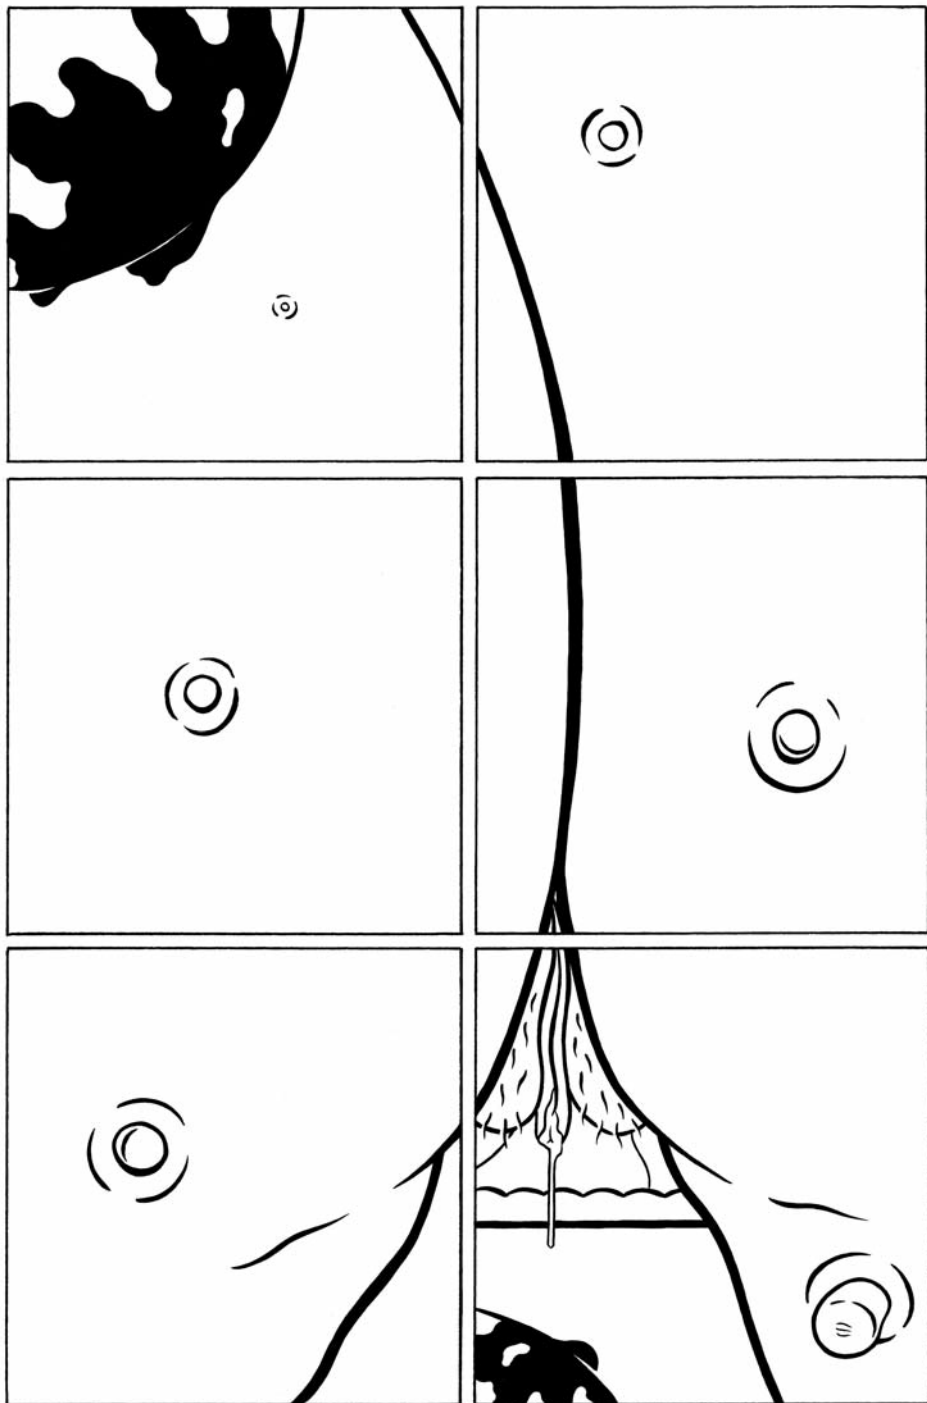

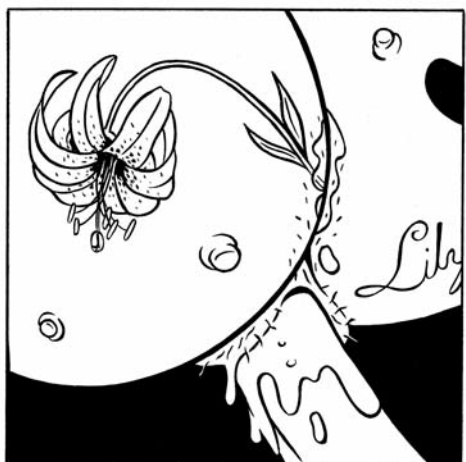

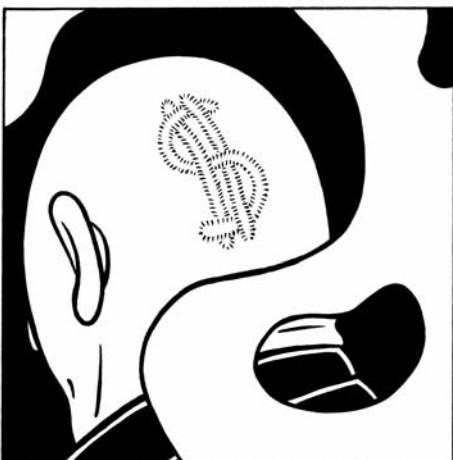

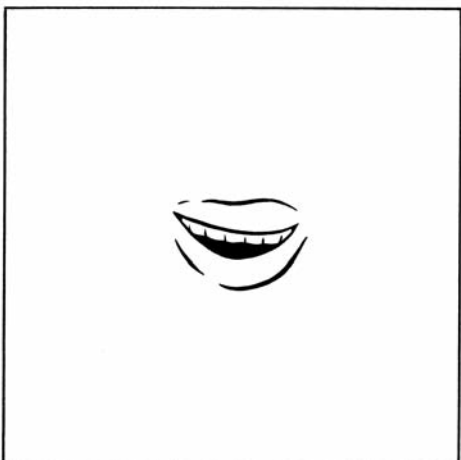

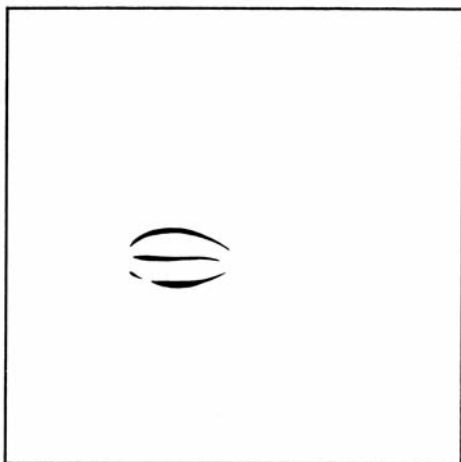

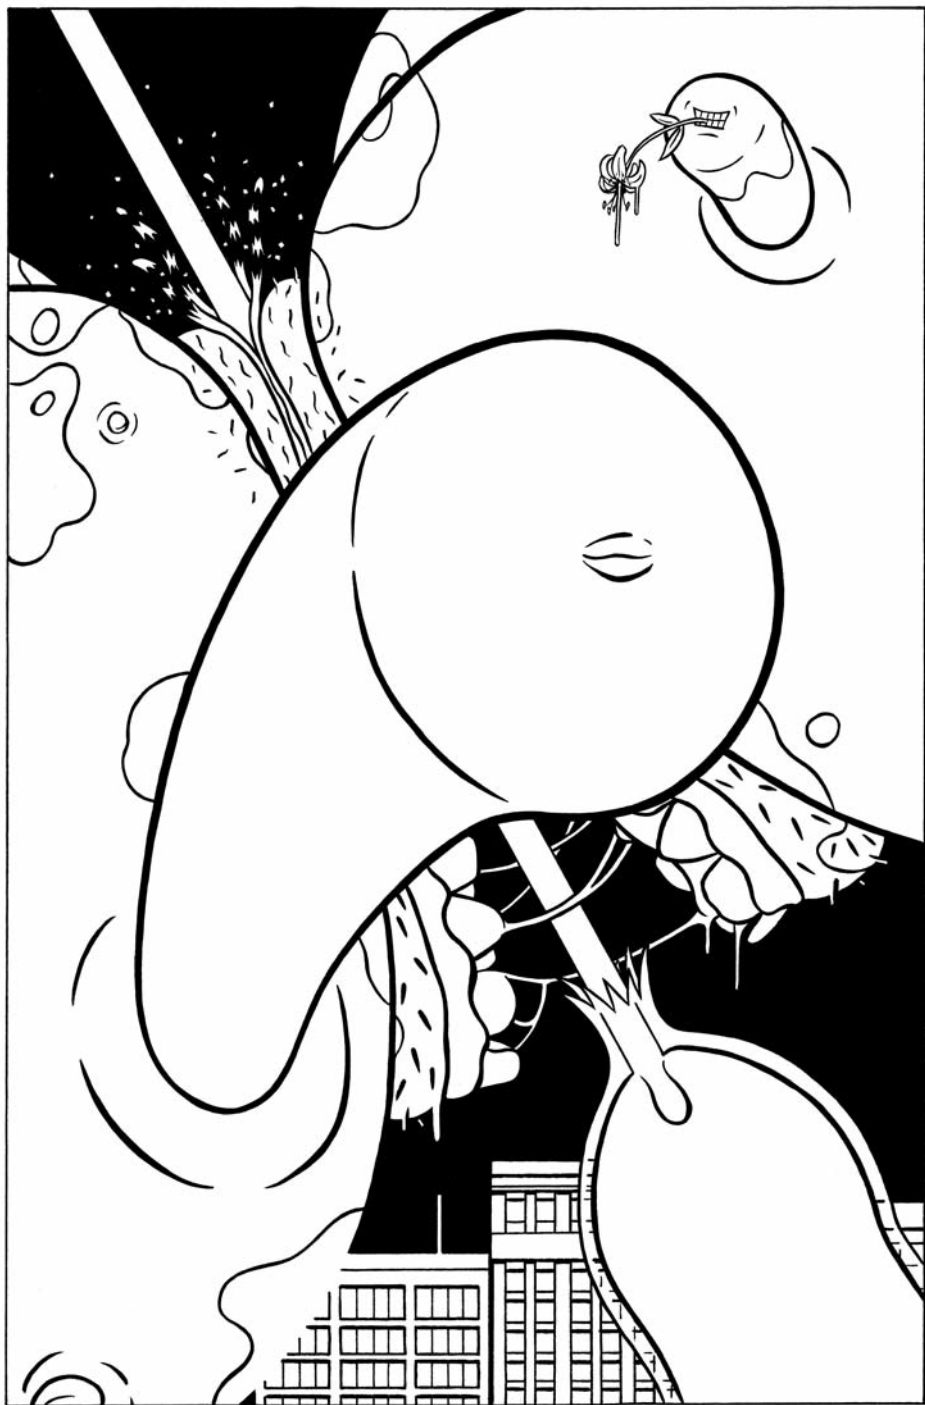

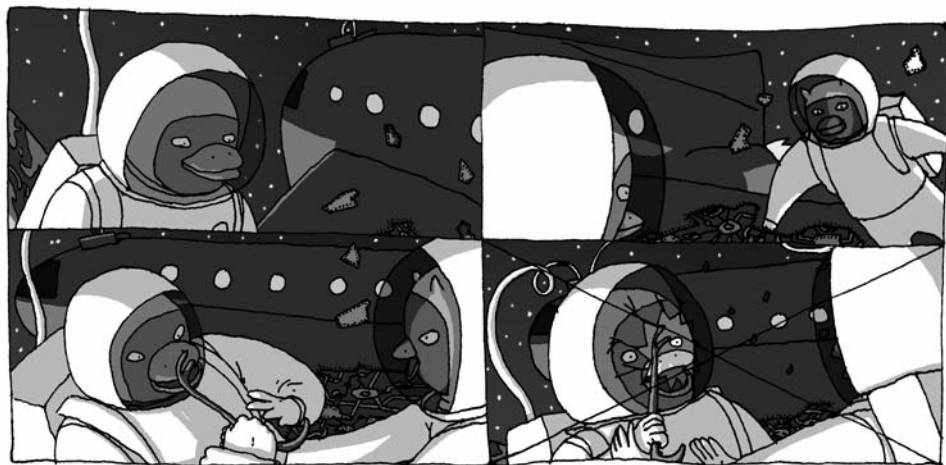

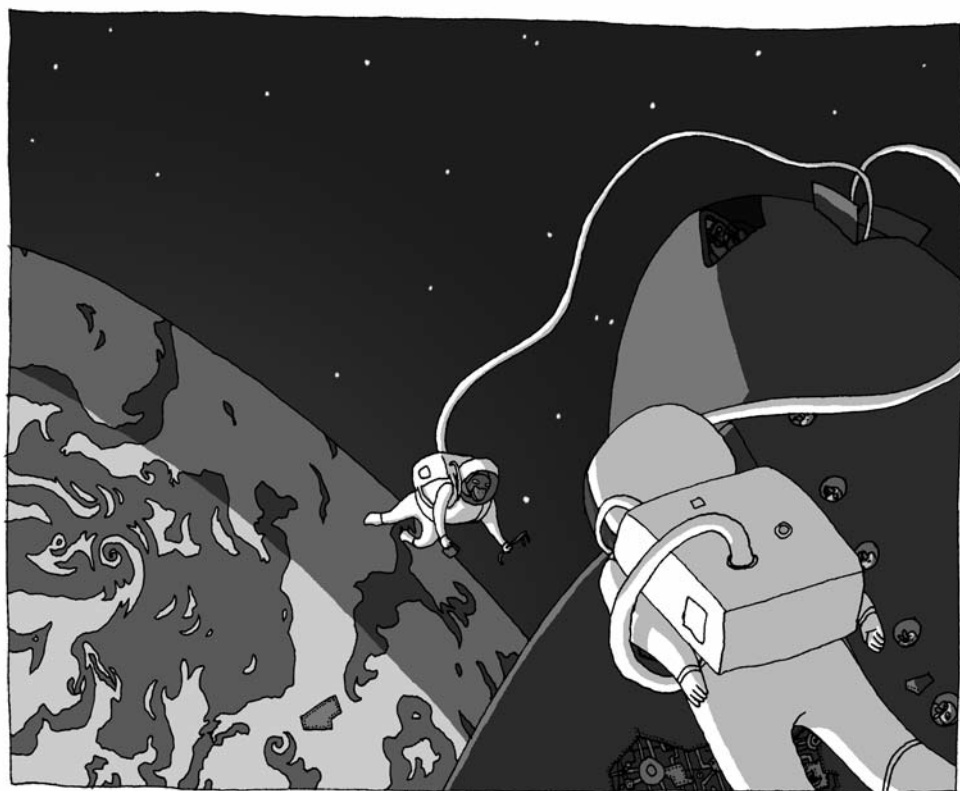

≡ DÉCOUVRE VITE LE ≡

FRANKY BARTOL SPACE

Ce n'est pas un jeu de trois mailles,

Ou va corps
et peut-être l'ami

Qui perd rien n'y
sont repentailles

Qu'on n'en meure
à honte et d'effame

ôôô, mio Dio!

ô doloroso!

Sono triste!
Sono impotente!

Miserere!

Bon, mais
qu'est-ce qu'il
fabrique?

Rigarda mia gambetta,
non functionare più di tutto!

Sono tutto solo!

Niente amore

Niente considerazione!

À tous les coups
faut que j'y aille.

Ô, io posso più marchare
perché io sono non amato!

Tutto è termino ...

Nan mais vraiment
ça ressemble à rien.

Tu vas pas le traîner
comme ça tout le long !

Arrête !
c'est ridicule.

Laisse moi te donner
un coup de main .

c'est pourtant
pas compliqué !

T'as marché toute
ta vie, me fais pas
croire que d'un coup
t'y arrives plus !

Alors maintenant
on avance .

une deux !
une deux !

Et bin voilà !

c'était pas compliqué
tu vois .

Moi j'y vais, on
se retrouve là bas.
